| <b>Product</b>      | LED strip light(plastic)                                                                                                                                                                                                                                                                                | <b>Batch No</b> | 779330 |
| <b>Manufacturer</b> | DRAGON ECOM INTERNATIONAL LIMITED<br>ROOM 1502(A), EASEY COMMERCIAL BUILDING, 253-261 HENNESSY<br>ROAD, WANCHAI, Hong Kong<br>angela88tw@163.com<br><div>Made in China</div>                                                                                                                            |                 |        |
| <b>Warning</b>      | 1. The remote control has button batteries, so do not take them out<br>and swallow them! 2. When installing the light strip, be careful to<br>prevent gravity from breaking it. The place where it is pasted or the<br>wall should be smooth. Be sure to install it with the matching power<br>adapter. |                 |        |
