| <b>Warning</b>      | 1. If the strap has burrs, you can cut them off with scissors and then<br>bake them over fire to restore them. But be sure to pay attention to<br>the temperature and do not burn the strap. 2. If the strap is dirty,<br>you can directly remove it for cleaning. It is recommended to wear it<br>after it is dried. |                 |        |
