| <b>Warning</b>      | Nylon loop straps are difficult to dry after getting wet, so you need<br>to pay attention to maintenance and timely drying to avoid burrs on<br>the surface. If the strap has burrs, you can cut it off with scissors<br>and then bake it with fire to restore it. |                 |        |
